PRIEST

Priests act as emissaries of the Gods and other deific beings. Empowered with divine magic and knowledge, their very presence invokes the majesty of divine beings at work. Some priests work to fulfill a longtime goal of their holy sect, others live to provide guidance and teachings to humble followers of their faith. Some even act entirely in the shadows, admonishing those who act against their beliefs and principles. Whatever their reason, all priests have devoted their lives and actions to the goals and beliefs of their deity.

PRIEST'S HOPE FEATURE

Divine Inspiration: **Spend 3 Hope** to grant yourself and all allies within Close range a +2 bonus to their next action roll.

CLASS FEATURE

Thaumaturgy

You can freely create small sounds, smells and images that evoke the divine aspects of your deity. For example, if your deity is a god of fire, you can conjure the smell of burning wood around you.

Invoke Divinity

You channel godly power into your form, and channel it around you. Describe how your appearance changes in this moment. Once per rest, you can choose one of the following effects:

- ***Invigorate:*** One ally in Close range clears a Stress
- ***Rebuke:*** One adversary within Very Close range of you must immediately move out to Close range or take **d10** magical damage, using your Proficiency.

SPELLCAST TRAIT

Presence

FOUNDATION FEATURES

Holy Order: When you arrive at a prominent settlement, you are able to locate your Holy Order. You are familiar with one person within this Order. Describe how you know them. When you finish a long rest at your Order, you can also receive either one Minor Stamina Potion or one Minor Health Potion.

God's Favourite: Once per long rest, you can Help an Ally without spending a Hope.

SPECIALIZATION FEATURE

Sermon: When you Prepare alongside one or more players during Downtime, you each **gain an extra Hope.**

Hierophantic Divinity: You gain an additional Invoke Divinity effect:

- ***Protect:*** One ally within Close range gains 1 temporary Hit Point until they mark it or the scene ends.

MASTERY FEATURE

Divine Intervention: Once per session, when you or an ally makes an action roll, you can **mark any number of Stress** to roll your Duality Dice an equal number of times. If the result you picked was a roll with Hope, the action roll becomes a success with Hope. If you critically succeed, the action roll critically succeeds. Otherwise, the result of the action roll is unchanged.

Beacon of Hope: During Downtime, when the GM regains Fear, they must subtract 1 from their total. If the GM only regains 1 Fear, this feature has no effect.

At the end of each session, clear all unspent Prophetic Dice.
